Autographed Book Order Form

(Return to your teacher no later than <date>)

Please use this form to order personalized, autographed copies of Dr. Bennett's books at discounted prices. Note: If we sell at least XX combined copies of the Max Science Adventure Books (Max Goes to the Moon, Max Goes to Mars, and Max Goes to Jupiter),* Dr. Bennett will waive his school visit fee and visit our school FREE OF CHARGE.

About the Author: Dr. Jeffrey Bennett is an astrophysicist who has worked at NASA and taught at every level from elementary school through graduate school. In addition to his children's books and popular books, he is the author of leading college textbooks in four subjects: astronomy, astrobiology, mathematics, and statistics. Visit his web site: www.jeffreybennett.com.

Please circle your book choices and print neatly, one line per book. Prices:

Max Goes to the Moon, Max Goes to Mars, Max Goes to Jupiter \$15 each
Max's Ice Age Adventure \$10
